

This form is an application for approval of LEAVE from higher degree by research (HDR) candidature to formally engage with a Research End-User (REU). All HDR students; scholarship and non-scholarship holders, must complete this form and gain appropriate approvals before undertaking any internship, work-integrated learning (WIL) and/or placement, with a Research End-User.

A **Research End-User** is defined as an individual, community or organisation external to academia that will directly use or directly benefit from the output, outcome or results of the research. Organisations include businesses, government, non-governmental organisations, communities and community organisations. Universities and their affiliates or subsidiaries are not classed as research end-users.

You do not need to apply for leave to attend courses as part of your HDR candidature. All internships, formal training or other commercialisation and engagement activity/ies with a Research End-User should however be documented in your Annual Progress Report [APR].

Students who intend to travel overseas to engage with a Research End-User, must provide a copy of the internship agreement to the GRS and fill in the Overseas Travel form available from www.postgraduate.uwa.edu.au/studentnet/forms in addition to this LV-REU form.

Please return the completed form(s) to the Graduate Research School, Hackett Hall (M 358) before leave commences, as leave will not be approved retrospectively other than in exceptional circumstances.
