RECOMMENDATION FOR CLASSIFICATION

- Please mark one box only and refer Page 2 for the required Merit Criteria Scores -

| | |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| PASS | |
| <input type="checkbox"/> | The thesis be PASSED with no requirement for correction or amendments and the student be awarded the degree of Master by Research |
| <input type="checkbox"/> | The thesis be PASSED, SUBJECT TO MINOR REVISION as indicated in my report to the satisfaction of the Board. |
| <input type="checkbox"/> | The thesis be PASSED, SUBJECT TO SUBSTANTIVE* AMENDMENTS along the lines indicated in my report. *The student will normally be instructed to submit a detailed report to the Board of the Graduate Research School outlining the amendments to the thesis. The Board will consider the report and the revisions in determining the final classification, without further reference to the examiners. |
| <i>(if applicable)</i> | |
| <input type="checkbox"/> | I believe this to be in the top 5% of thesis I have examined. |

OR

| | |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| RE-SUBMIT | |
| <input type="checkbox"/> | The thesis be returned to me for re-examination after completing the required extra work and revision indicated in my report. A thesis which must be re-submitted requires alterations of such scale, complexity and/or conceptual significance that their adequacy should be appraised again. |

OR

| | |
|----------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| AWARD OF THE DEGREE OF DOCTOR OF PHILOSOPHY | |
| <input type="checkbox"/> | That the quality of the thesis is of an exceptional standard, I recommend the award of the degree of Doctor of Philosophy. (The (PhD) thesis shall be a substantial and original contribution to scholarship, for example through the discovery of new knowledge, the formulation of theories or the innovative re-interpretation of known data and established ideas). |

OR

| | |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| FAIL | |
| <input type="checkbox"/> | The thesis be FAILED and the student NOT be awarded the degree of Master and NOT be permitted to resubmit the thesis in a revised form. |

Please complete the following Merit Criteria Scores for this thesis with respect to the six criteria for award of a Master from The University of Western Australia. Please indicate your scores next to each criterion. (Refer *Merit Criteria Scores Key*)

SCORE CRITERIA FOR THE AWARD OF MASTER – THESIS

The thesis which you are examining submitted in part, or as whole fulfillment of the requirements for the award of Master is a substantial work generally based on independent research which:

| | |
|--|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | The student shows a sound knowledge of the subject of the research, evidence of the exercise of some independence of thought and the ability of expression in clear and concise language. |
| | The student shows familiarity with, and understanding of, the relevant literature. |
| | The thesis provides a sufficiently comprehensive study of the topic. Any other examinable work shows sufficient mastery of technique and/or style. (If applicable) |
| | The techniques adopted are appropriate to the subject matter and are properly applied. |
| | The results are suitably set out, and are accompanied by adequate exposition. |
| | The quality of English and general presentation are of a standard for publication. |

SCORE CRITERION FOR ANY ADDITIONAL EXAMINABLE COMPONENT/S FOR AWARD OF MASTER –(IF APPLICABLE)

| | |
|--|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Any additional examinable components demonstrate technical accomplishment and imaginative resource and/or advanced technical and interpretative accomplishment (as appropriate) |
|--|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Merit Criteria Scores Key

| Score | Merit Criteria | Description |
|----------|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Exceptional | Of the highest merit, at the forefront of international Masters in the field. Fewer than 5% of students worldwide would fall in this band. |
| 2 | Excellent | Strongly competitive at international levels. Fewer than 20% of students would fall in this band. |
| 3 | Very good | An interesting, sound and compelling thesis. Approximately 30% of students would fall in this band. |
| 4 | Good | A sound thesis, but lacks a compelling element in some respect. Approximately 30% of students would fall in this band. |
| 5 | Fair | The thesis has potential, but requires major revisions. Approximately 20% of students would score in this band. |
| 6 | Flawed | The thesis does not meet the required standard for this criterion |

Please attach your report (minimum length – 1 page).

I confirm that there is no actual or perceived conflict of interest arising from my examination of this thesis.
