School of Physics

CONFIRMATION OF CANDIDATURE

At Entry:

- Complete School induction process;
- Meet with Graduate Course Coordinator to select appropriate coursework;

By the time of Research Proposal (6/9 months):

- Have taken safety courses (laboratory, laser, workshop) as appropriate; Attended library information session;

By time of First Annual Progress Report:

- Research Proposal approved;
- Completed 6 points of approved coursework; Demonstration of English proficiency, where required;

Successful completion of these milestones would be required for Confirmation of Candidature.
