STUDENT CHECKLIST AND DECLARATION

Having completed my course of study and research towards my Doctorate or Master by research, I hereby submit my thesis for examination in accordance with the relevant course rules and declare that *(tick each box as appropriate)*—

- The thesis is my own composition, all sources have been acknowledged and my contribution is clearly identified in the thesis
- The thesis has been substantially completed during the course of enrolment in this degree at UWA and has not previously been submitted for a degree at this or another institution
- For any work in the thesis that has been co-authored with others, I have the permission of all co-authors to include this work in my thesis, and there are declarations to this effect in the front of the thesis that either have been signed by all co-authors OR that have been signed on their behalf by my Coordinating Supervisor, who has provided in Section 5 of this form an explanation as to why the signatures of all co-authors could not be obtained (A thesis declarations proforma to be bound at the front of the thesis can be found at <http://www.postgraduate.uwa.edu.au/students/thesis/style>)
- I have read the rules relating to content and format of a thesis, words limits, and submission of a thesis for examination (at <http://handbooks.uwa.edu.au/course-rules#id-69908>) and the thesis complies with these rules.
- The thesis is within the set word limit for my degree program (<http://handbooks.uwa.edu.au/course-rules#id-69908>)
- I am able to access my student email and Student Connect or I have contacted student IT support to establish access: <http://www.is.uwa.edu.au/it-help/students/student-it-support> and I note that all communication from the Graduate Research School regarding my thesis examination will be via my student email.
- I am aware that once the thesis is submitted for examination, I am not permitted to withdraw, alter or add any works to the thesis.
- I authorise The University of Western Australia to submit my thesis to a text matching service at their discretion.

Confidential Examination	
<p>(a) I do not request for a confidential examination of my thesis. <input type="checkbox"/></p> <p>(I am under no obligation, nor am I aware of the University being under any obligation, to keep all or any part of my thesis confidential for any period of time)</p>	or
<p>(b) I request for a confidential examination of my thesis. <input type="checkbox"/></p> <p>(I am under obligation to request for a confidential examination on my thesis. I understand the examiners will be sent a non disclosure statement to sign and return. Examiners are required to state that they acknowledge the confidential nature of the information in the thesis, work or appendix, and undertake not to disclose or discuss any of the information contained in therein without the written permission of the author and the University)</p>	
<p>Scholarship holders – I have included in my thesis appropriate acknowledgement of all scholarship support I have received. <input type="checkbox"/></p> <p>Stipend recipients only: I have notified the Scholarships Officer of my submission.</p> <p>Recipients of RTP fees offset and/or stipend scholarships only: I have included this acknowledgement in my thesis: “This research is supported by an Australian Government Research Training Program (RTP) Scholarship”. <input type="checkbox"/></p>
