

Submit the completed form, digital copy of the thesis and abstract from studentConnect to the Graduate Research School, Examinations Office, via examination-grs@uwa.edu.au. **Your course completion cannot be processed until all required components are completed and submitted to the GRS.**

1. STUDENT DETAILS

Student ID:		Title:	
Last Name:		First Name:	
Mailing Address:			
Email (Non-UWA):		Contact Number:	
School(s):			
Degree:			

2. THESIS TITLE

Show punctuation and italics exactly to ensure your title appears correctly on your academic transcript. The title recorded here should be EXACTLY as appears on the cover page of your thesis. **The title must be in sentence case.**

If you wish to change your thesis title, enter the new title below.

3. STUDENTS FOR THE MASTER OF CURATORIAL STUDIES IN FINE ART, FINE ARTS or MUSIC

Creative component has been classified as PASSED by the Board of the Graduate Research School.	<input type="checkbox"/> Yes <input type="checkbox"/> No
---	--

4. CONFIRMATION OF SUPERVISION

Full names and titles of supervisors (published in the Graduation Booklet):	Supervision % (Not Published)

5. ABSTRACT FOR AUSTRALIAN HIGHER EDUCATION GRADUATION STATEMENT

You will receive an Australian Higher Education Graduation Statement to accompany your testamur. This includes an abstract or summary of the thesis, up to 100 words. You are responsible for the accuracy of the wording of the abstract. As the abstract appears on the Graduation Statement, it must also be verified by your supervisor and school. The abstract will be public information and must not include any personal or restricted information.

To enter the text of your abstract, log into Student Connect http://www.studentadmin.uwa.edu.au/welcome/student_connect. Under the 'Enrolment' heading in the side menu, click on 'Course and Unit', select the course that you are completing, and click on 'Thesis Abstract'.

Follow the steps to enter and finalise the text of your abstract. When you select the 'Allow others to view' button your supervisor will be able to read the text online through Staff Connect. Once you have finalised the wording in consultation with your supervisor, print a PDF and attach it to this form for your Supervisor and Graduate Research Coordinator to sign.

Note that once you have finalised the status of your abstract, you will not be able to change the words.

PDF Abstract Statement attached with this form	<input type="checkbox"/> Yes

6. AUSTRALIAN GOVERNMENT RESEARCH TRAINING PROGRAM (RTP) SCHOLARSHIP	
Were you in receipt of an Australian Government Research Training Program Scholarship for fees offset and/or stipend at any time during your candidature?	<input type="checkbox"/> Yes <input type="checkbox"/> No
7. UWA PROFILES AND RESEARCH REPOSITORY (Complete sections i-iii)	
Access to your thesis	
Submit an electronic copy of your thesis by email in PDF format only . Fill in the section below for all files. Permission should be sought from the author/copyright holder for third-party copyright material featured in a thesis. (http://www.library.uwa.edu.au/library/help-and-support/copyright-at-uwa)	
i. File Name:	This file contains: (e.g. entire thesis)
ii. Author Keywords (Use the following keywords and phrases to describe the content of the thesis. e.g. transformer noise.)	
iii. UWA Profiles and Research Repository participation	
The UWA Profiles and Research Repository provides an open access platform to capture, store, index, and distribute globally a wide range of research outputs produced by the University's researchers and postgraduate students. It aims to increase the profile and impact of the University's research by facilitating open access to it. Higher Degree by Research students are required to submit a digital copy of their completed thesis to the UWA Profiles and Research Repository. Participation in this program is mandatory except where permission is given via a Restricted Access form. Participation allows the student, supervisors, and the University to promote their research to their peers. More information is available from the Library website http://www.library.uwa.edu.au/library/find-resources/theses	
<input type="checkbox"/>	I hereby authorise the University Library to digitise my thesis and mount it within the UWA Profiles and Research Repository for open access. I am submitting a copy of my thesis in electronic form to the Graduate Research School.
OR	
<input type="checkbox"/>	I hereby request permission to withhold my thesis from open access on the UWA Profiles and Research Repository and have attached an application for Restricted Access : https://www.postgraduate.uwa.edu.au/data/assets/pdf_file/0015/22623/Application-for-Restricted-Access.pdf I am aware that if I do not submit a Restricted Access form concurrently, my thesis will not be withheld from the repository.
Copyright	
I hereby declare that in this thesis:	
<ul style="list-style-type: none"> a. I am the creator of all or part of the whole work(s) (including content and layout). b. The work(s) are not in any way a violation or infringement of any copyright, trademark, patent, or other rights whatsoever of any person. c. If the work(s) have been commissioned, sponsored or supported by any organisation, I have fulfilled all of the obligations required by such contract or agreement. 	
Author's copyright	
<ul style="list-style-type: none"> a. I understand that, as the author I retain any rights that I had prior to depositing my thesis and that I am free to publish this work(s) elsewhere in its present or future versions. b. I grant to UWA Profiles and Research Repository, a non-exclusive licence to store and/or communicate this thesis on the terms outlined in Repository Terms* below. 	
Other people's copyright and published material	
<ul style="list-style-type: none"> a. I warrant that I have all the necessary permissions to reproduce and communicate all copyright material contained in this thesis (including from the Publishers of my own published works) and to make it available and accessible in an open institutional repository. b. I confirm that I have all the necessary permissions to reproduce and communicate all photos and images in this thesis and to make them available and accessible in an open institutional repository. 	

***Repository Terms (The Repository's Rights and Responsibilities)**

The University, through the UWA Profiles and Research Repository:

- a. May distribute copies of the work(s) (including any abstracts) worldwide, in electronic format via any medium for the lifetime of the repository for the purpose of free access without charge unless the depositor has successfully applied for restricted access.
- b. May electronically store, convert, or copy the work(s) to ensure their future preservation and accessibility.
- c. May incorporate metadata or documentation into public access catalogues for the work(s).
- d. Shall retain the right to remove the work(s) for professional or administrative reasons, or if they are found to violate the legal rights of any person.
- e. Shall not be under obligation to take legal action on behalf of the depositor or other rights holders in the event of an infringement of intellectual property rights or any other right in the material deposited.
- f. Shall not be under obligations to reproduce, transmit, or display the work(s) in the same format or software as that in which it was originally created.
- g. Will make the work(s) available in accordance with the *Copyright Act 1968*, unless specified otherwise by the depositor.
- h. Will mint a DOI (digital object identifier) via the ARDC DataCite Fabrica service. This process requires the sharing of limited personal details such as your name/co-authors, title, affiliations, and thesis description with DataCite, and will result in sharing of this information with third parties involved in scholarly content infrastructure such as ORCID, CrossRef and google. You informed consent for this is provided where you continue with, and accept the provision of a DOI for your work.
