Current Enrolment - Milestone Details

The information below applies to students enrolled in Higher Degrees by Research that are administered by the Graduate Research and Scholarships Office. Students enrolled in courses administed by the faculties should contact their Faculty Office for advice.

Higher Degrees by Research that do not include structured coursework (eg PhDs and Master by Research) are administered by the Graduate Research and Scholarships Office. Professional doctorates and Master by Thesis and Coursework, which do include structured coursework, are administered by the faculties.

All Higher Degree by Research students are required to meet particular milestones as a condition of continued enrolment. A list of your personal milestones, with their due dates and current status, is below.

Please note that you are required to submit an Annual Progress Report every year of your enrolment, by the anniversary of your commencement. This requirement continues until you have submitted your thesis.

⊞ What if I can't meet a milestone by the due date?

⊞ There's an error in my list of milestones, what do I do?

⊞ What do the Milestone Statuses mean?
